**KELLY HOPPEN ONLINE**

It was only a matter of time before the queen of serene threw open the virtual doors to customers from around the world. Her new online store, *kellyhoppen.com* stocks accessories, bed linen, cushions, candles and gifts. Shop by room, find exclusive style tips and insightful customer Q&A's.

**TOD'S BESPOKE**

If you happen to be in Milan for Salone del Mobile, or for a spot of shopping, Italian-style, then take a trip to the fabulous new home of Tod's J.P. Sartorial Collection that celebrates their Made in Italy commitment to leather pieces. The space itself is dedicated to craftsmanship; the ideal place to purchase something traditional in the capital of style. For more information go to *tods.com*

**WHITE OUTSIDE** *Get outdoors with the new range from Ego Paris. Available to order in the Middle East, the garden furniture pieces are durable, versatile and multi-purpose; working perfectly as an investment in your al fresco living style. [egoparis.com](http://egoparis.com)*

*Timeless buys that are practically perfect*

*Bazaar loves...*

The High Line Superleggera; a reworking of this icon that is perfect for a little garden chic. Available at PF Emirates.

**JEWELLERY DESIGN**

When we showcased Fadi Sareddine in March of 2013, we didn't anticipate how much the Lebanese furniture designer would spread his wings. Aside from developing his furniture line, he has lent his talents to homegrown accessories boutique Boom & Mellow, **in collaboration with aden furniture**, creating a new store interior that bears his contemporary hallmarks of luxe and industrial so well. Boom & Mellow, Town Centre, Jumeirah
